

Lab Exercise 8 : JQuery Form Validations

Overview

Use the Application form developed in the Exercise no 7

Instructions

1. You will need to link to an **jQuery** in the head of the page so that you can write code in its own file.
2. You should define a **CSS style to use when highlighting a blank field**.
3. Write the JQuery code to validate the Title, Description , Accept the software License checkbox .
